FIRE ORDINANCE

(Continued from Page One)

The board of the late Claus Spreckels will be probated in Honolulu and the appointment of an auxiliary administrator will be asked. The sugar magnate left real property in Hawaii valued at about half a million dollars, and this calls for probate proceedings here.

WELL-KNOWN HAWAIIAN
DIED YESTERDAY

John P. Smith, an aged Hawaiian resident of Manoa Valley, and one of the first of his race to subscribe to the provisional government after the overthrow of the monarchy, died yesterday. He was also prominent in the revolution of '95, as he was one of the first to give notice to the Citizens' Guard of the Hawaiian republic that the rebels under the late Robert Wilcox were working over the hills into Manoa Valley. The forces were immediately sent in pursuit of the fleeing rebels and the end of the rebellion soon followed.

ARMY AND NAVY NEWS

Ensign P. O. Griffith, of the U. S. cruiser Washington, died late yesterday afternoon of smallpox at the U. S. quarantine station at Diamond Point. Since he was landed at the station he had shown marked signs of improvement and the surgeons at the station felt certain that he would recover. Yesterday afternoon a change for the worse took place and he gradually became worse until death relieved him of his sufferings. Since news of his illness reached his aged mother who resides at Palo Alto, California, she has been in daily communication by wire with her boy and encouraging words for his recovery were sent her. Yesterday just before he passed away a bouquet of choice California roses had been received at the station from the mother and they were presented to the boy. The news of his death will be a severe blow to the mother.

ARMY AND NAVY NEWS

Ensign Griffith joined the navy in 1903. He was 25 years of age and a native of California. The death of Ensign Griffith is the fourth to occur among the crew of the Washington since she left Honolulu to come to Pago Pago. The first to die was a young man named Frank, who died of smallpox. The second was a young man named John, who died of smallpox. The third was a young man named John, who died of smallpox.

GOOD NEWS

Many Honolulu Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Honolulu are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Elmer E. Pitts, 10 Pine St., San Francisco, Mo., says: "If there is anyone who has reason to be grateful to Doan's Backache Kidney Pills it is I. Several years ago I was employed as a motor man on the street railway and it was while thus engaged that I felt the first symptoms of kidney trouble. I believe the complaint was caused by constant standing and the jarring I received. The first symptom was backache, which brought me directly over to the doctors. I paid little attention to this at first, thinking it would soon pass away of its own accord, but such was not the case. I gradually grew worse and after a hard day's work it was all I could do to get home. My health continued to decline and I was finally compelled to take to my bed. I remained there for four months and was unable to work for over a year. I had a constant backache and at times my back felt as if it were dislocated. A kidney weakness set in and I was bothered both day and night by a frequent desire to pass the kidney secretions. My feet and limbs were badly swollen and the doctors said I had dropsy. I took any amount of medicine, but I did not improve and finally the doctors told me that they could do nothing more for me. I had lost flesh until I weighed but ninety pounds and I was in despair. At this critical period my wife noticed an advertisement about Doan's Backache Kidney Pills and was convinced that they would help me. She procured a supply and though I had but little faith in them, I began their use. I had taken Doan's Backache Kidney Pills but a few days before I could see a slight improvement and by the time I had used seven boxes I was able to get up and around. From that time on my health and strength rapidly returned and I was able to go to work. As I took no other medicine at the time I was using Doan's Backache Kidney Pills I give them the full credit for my cure. Last fall I caught a severe cold which brought on a return of the trouble. I again used Doan's Backache Kidney Pills and the contents of three boxes drove away the attack."

Doan's Backache Kidney Pills are sold by all druggists and stockholders at 25 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the H. J. Doan Drug Co., Honolulu, wholesale agents for the Hawaiian Islands. Remember the name, Doan's, and take no substitute.

AN EXCELLENT LINIMENT.

Every family and especially those who reside in the country should be provided at all times with a bottle of Chamberlain's Pain Balm. There is no telling when it may be wanted as a result of an accident or emergency. It is most excellent in all cases of rheumatism, sprains and bruises.
